

Inspire change, one beach at a time

At Beach Bunch, our mission is to preserve Brunei's pristine beaches for generations to come. We believe that by engaging individuals and organizations, we can inspire positive change and create a sustainable future.

We are now offering event packages designed to engage, inspire environmental consciousness and leave a lasting positive impact!

Laut (Sea) Package

- Ideal for: a simple beach cleanup experience.
- Core activity: Awareness talk and beach cleanup.

Pasir (Sand) Package

- Ideal for: Organizations seeking a more comfortable and engaging beach cleanup experience.
- Key Features: Same as Laut package with the addition of a photographer and refreshments.

Angin (Wind) Package

- Ideal for: Organizations looking to create a memorable event.
- Key Features: Same as Pasir package with the addition of games, ventilation equipment, lunch and event gift for participants.

Matahari (Sun) Package

- Ideal for: Organizations seeking a comprehensive and immersive beach cleanup experience.
- Key Features: Same as Angin package with the addition of professional videographer, fitness instructor, emcee, teambuilding, event t-shirts, goodie bags and lunch with BBQ

Ready to make a difference? Contact us today to customize a package that aligns with your organization's goals.
